Key Steps for Freshmen to Enhance College/Scholarship/Workplace Competitiveness by Senior Year

1. Maintain Strong Academic Performance
   Focus on achieving good grades throughout your high school years. Take rigorous courses.
2. Engage in Extracurricular Activities
   Participate in a club or activity each year to build your resume and develop valuable skills.
   At least 2 scholarships require an activity every year from 9th to 12th grade.
3. Aim for Community Service
   Strive to accumulate at least 30 service hours annually, demonstrating your commitment to giving back.
   If you are considering NHS, will need about 50 hours a year for 9th and 10th grade.
4. Explore Career Opportunities
   Utilize resources like Naviance (TA Lessons), attend "Eat with An Expert," and participate in the EPS Career Fair each March to discover potential career paths.
5. Seek Leadership Experiences
   Clubs, Sports, Antler Academy Mentor, Job, Etc.
