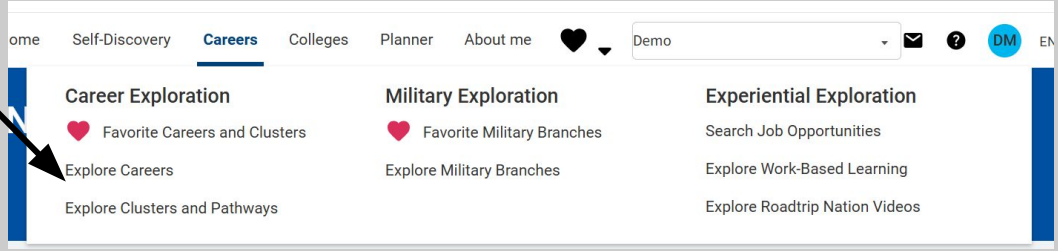
Naviance Career Exploration-Update Career Interests

1. Go to ClassLink, click on Naviance Icon

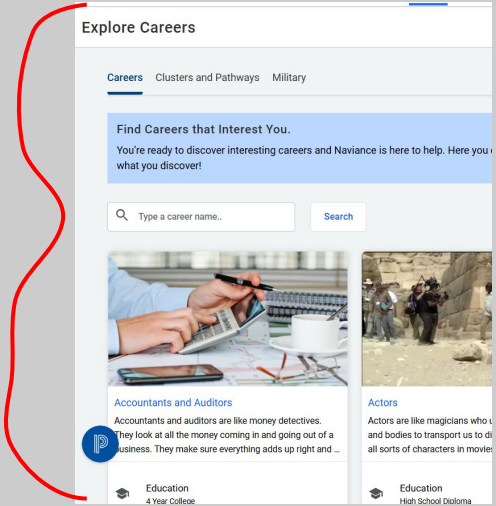
2. Update Career Interests

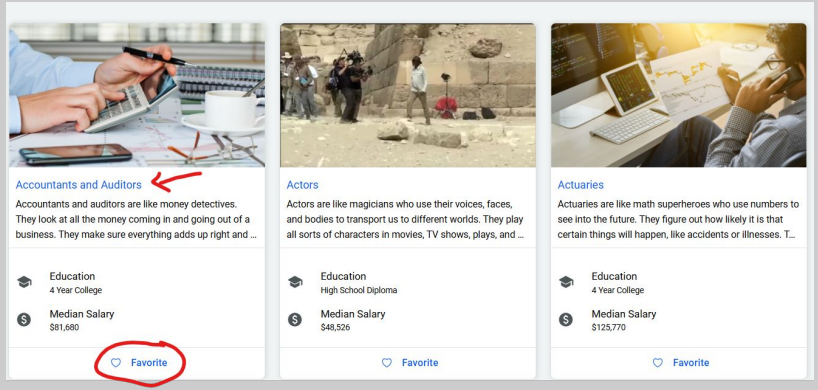
After a school year has almost passed, your career interests may have changed.

3. Click on Careers Menu/Explore Careers



4. You can Explore by typing in a carer name, looking at the list given, or by cluster and pathways.





5. Click on the career title to find out more about a specific career. Anything looks good, favorite it! (Unfavorite if no longer of interest.)
